30 Second PSA

(1) Conditions

The TEXAS Forest Service reminds you that wildfire danger is HIGH but just because conditions are ripe for fires, it doesn’t mean that we have to have wildfires. Wildfires at this time of year are generally caused by people and are preventable. Please use caution with any outdoor activities that can cause a wildfire. And remember, as Smokey Bear always says “Only you can prevent wildfires”.

(2) Smokey

Smokey Bear has teamed up with the TEXAS Forest Service to remind you that nearly 9 out 10 wildfires are started by humans. Please use caution with anything that can cause a spark. And if you do start a wildfire, please call 911 immediately. And just remember what Smokey Bear always says “Only you can prevent wildfires”.
