

**Energy Conservation Plan
 Quarterly Status Report
 For Quarter 1 of FY 2010**

Goal	Strategy	Status
Resource Efficiency Plan		
Reduce electricity and natural gas consumption when possible	The agency has begun a repair and renovation program to update older agency-owned facilities	Repaired and renovated the Henderson Office by adding new exterior siding, wall insulation, insulated windows, painting, and caulking.
Fleet Fuel Management Plan (Vehicles)		
Reduce agency fuel consumption	Reduce non-emergency miles driven in agency vehicles when possible; encourage employee carpooling to events when possible; replace high mileage older vehicles with new more fuel efficient vehicles through the agency's vehicle replacement plan	As part of the TFS Vehicle Replacement Plan for FY 2010, the Agency is purchasing seventy new vehicles to replace older high mileage vehicles which will result in more fuel efficiency.
