

**TIFMAS GRANT ASSISTANCE PROGRAM  
FY 2016 - FUNDING SUMMARY  
OCTOBER 19, 2016**

Texas A&M Forest Service conducted the FY2017 TIFMAS Funding Meeting for Apparatus on October 19, 2016. At that meeting, the Committee approved approximately \$708,800.00 in grants for 3 TIFMAS apparatus, which includes a complete radio complement and loose equipment complement for each vehicle. All grant approvals made today are based upon recent cost estimates and the final approved amounts may need to be adjusted once bids are received.

The departments awarded a grant at this meeting will receive official written notice of approval. Approval letters will be emailed to each department on 10/20/16, and will be mailed to non-responding departments on 10/31/16. Any applications for assistance not approved at this meeting will automatically roll forward and will be reviewed at future funding meetings.

The date of the next TIFMAS Funding Meeting is tentatively scheduled for October 2017.
