

**ANNUAL REPORT  
FISCAL YEAR 2006**

**RURAL VOLUNTEER FIRE DEPARTMENT INSURANCE PROGRAM  
(HB 3667)**

**I. OVERVIEW**

The Rural Volunteer Fire Department Insurance Program (House Bill 3667) was established in 2001 by the 77<sup>th</sup> Texas Legislature. The program provides grants to rural volunteer fire departments to assist in the purchase of workers' compensation, death, and disability insurance for firefighters. The program is funded through the Rural Volunteer Fire Department Insurance Fund, which is composed of revenue collected from a two-percent tax on the retail sale of fireworks under Tax Code Chapter 161.

The program receives oversight from the HB 3667 Advisory Committee, an appointed body of private citizens. This Committee recommends the annual cost-share rate to be offered based upon revenue forecasts and the forecast enrollment of firefighters.

The program is administered by the Texas Forest Service.

**II. ACTIVITY**

In FY 2006, the Rural Volunteer Fire Department Assistance Program allocation was set at \$750,000. The actual amount collected by the Rural Volunteer Fire Department Insurance Fund (Fund 5066) during the period 9-1-2005 through 8-31-2006 was \$854,625.84.

The HB 3667 Advisory Committee recommended providing a maximum grant of \$70 per enrolled firefighter. The grant reimbursed fire departments for actual insurance coverage purchased for their members, not to exceed the grant maximum.

The Texas Forest Service conducted open enrollment beginning in October 2005 and allowed enrollment to remain open through August 31, 2006.

**III. STATUS**

The following cost-share grants were awarded in FY 2006:

<u>Number of Enrolled Fire Departments</u>	<u>Number of Firefighters Covered</u>	<u>Grant Funds Allocated</u>
397	11,053	\$666,592

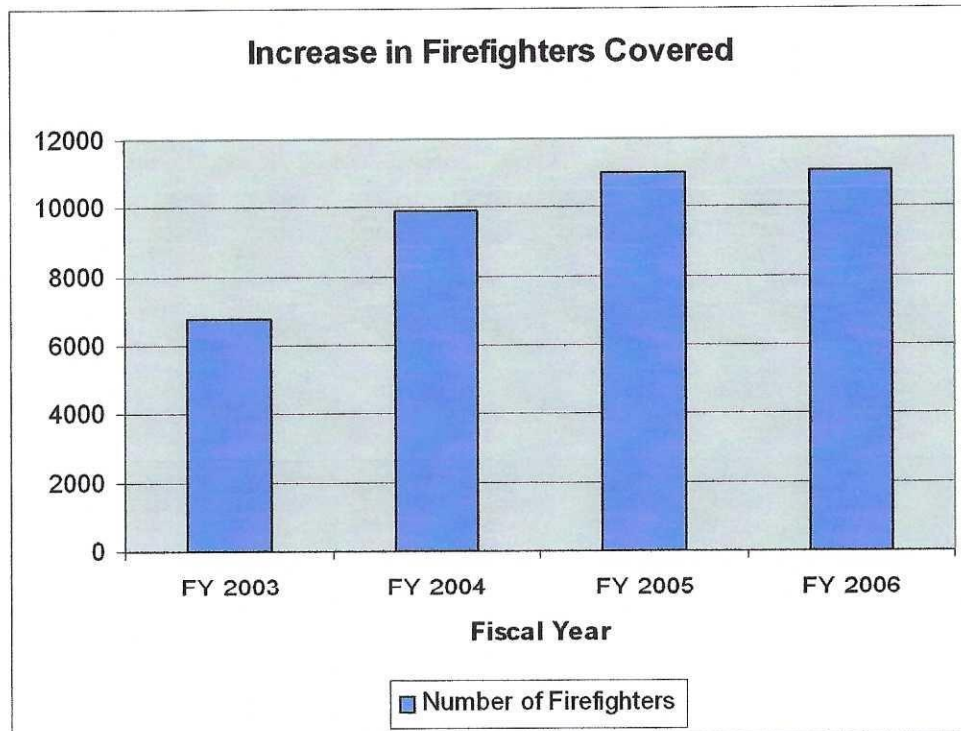

The attached summary presents the individual disposition of grant funds in FY 2006. The attached map shows the counties having fire department recipients.

#### IV. PLANS FOR FY 2007

The HB 3667 Advisory Committee has recommended that the reimbursement rate for FY 2007 be set at \$75 per enrolled firefighter. This is an incremental unit increase of \$5.00. This will be implemented with open enrollment scheduled to begin in October 2006.

#### V. EFFECTIVENESS

This is a highly effective program. Enrollment has exhibited a steady increase from 6,786 enrollees in FY 2003 to 11,053 enrollees in FY 2006.

#### Maximum Grant Reimbursement Rate Per Fiscal Year:

FY 2003	\$80.00 per firefighter
FY 2004	\$70.00 per firefighter
FY 2005	\$70.00 per firefighter
FY 2006	\$70.00 per firefighter
FY 2007	\$75.00 per firefighter

The Texas Forest Service has continued to improve the effectiveness of the program by designing an efficient application and award process for volunteer fire department applicants.
